=*NOTE: The count of Black people includes Black Hispanics, and the count of Hispanics includes Hispanics of all races. The Minority totals are derived by taking the total population, and subtracting the total number of non-Hispanic White people. Individual fields for Black, Hispanic and Asian populations won't add up to the minority population which excludes double counting and includes mixed race and ethnicity populations as determined by the FFIEC. Source fields for this data are fields 28 and 29.
